Open Records Request

As citizens, we have the right to hold our government agencies accountable. If we cannot find information we are looking for readily available, we have the right to request that information from those who retain such records.

How Dare They Disagree?

This article begs the question, "Why would anyone, especially some of the most accomplished physicians, scientists, and researchers in the world, stand up in the face of tyranny at the risk of their entire careers and even their lives?" Maybe some people still believe in truth and conscience and care for their fellow man?
