

**Politics at RHS:
Are you “a Democrat or a Republican”?**

English class assignment, 9th grade, for at least the past 3 years.

“Use the [paper questionnaire] and the following on-line quiz

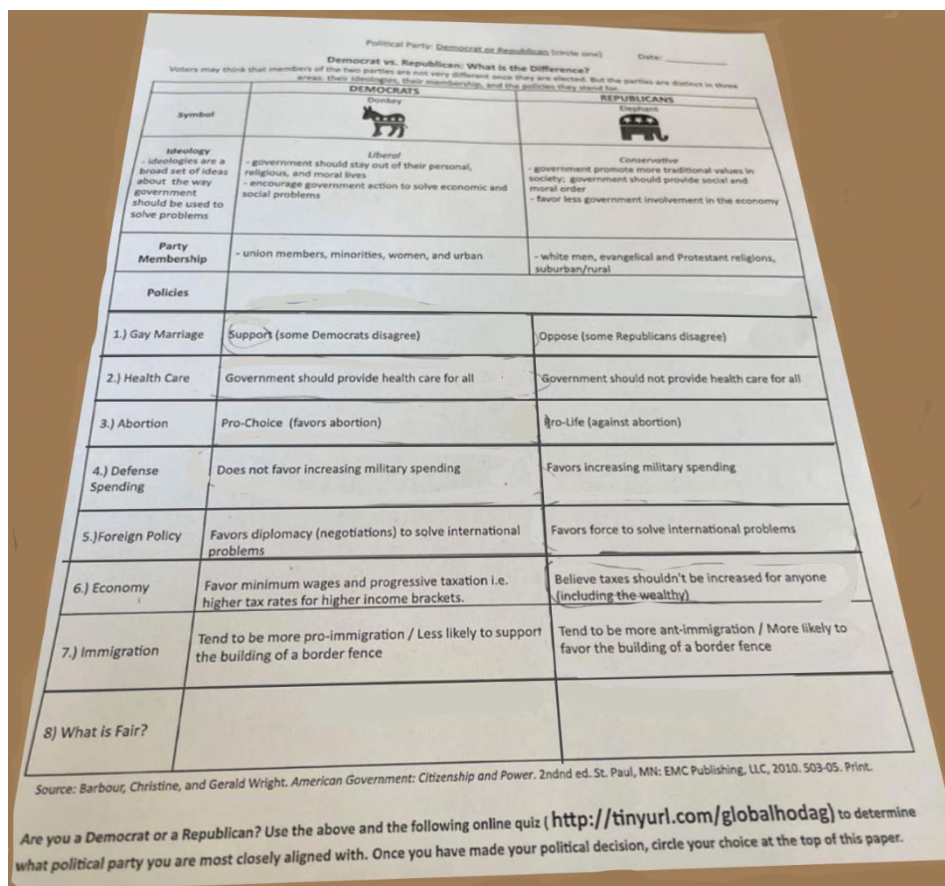

(<http://tinyurl.com/globalhodag>) to determine what political party you are most closely aligned with? *(Is it old-school to expect that in English class sentences don't end in prepositions?)* Once you have made your political decision, circle your choice at the top of the page.

? Was this turned in as a graded assignment?

The purpose of English class is the promotion of English Language Arts proficiency and appreciation, not to provide a platform for the promotion of political activism or awareness. And on top of this, RHS has an appallingly [poor record](#) of ELA proficiency for at least a decade. But time for politics, apparently!

Additional thoughts:

- ? What's up with the URL **global hodag** ?
- ? The embedded link takes you to web page selectsmart.com
- ? This particular questionnaire was supposedly created in March, 2005 by Dr Phil
- ? Most of the questionnaires on the website seem to relate to anime
- ? Why is this not a take-home assignment ?

Protect and Support your kids-Get active and put a stop to political activism in the classroom!!
